SOHO TENSION FABRIC SYSTEMS

SOHO tensioned-fabric structures are fabulous portable displays for trade shows, events, and meetings. Sleek, light weight and sturdy, aluminum frames are constructed of 1-1/2" diameter silver powder coated tubing. Assemble in minutes with indicated labels. Covered with premium quality stretch fabric slip covers, SOHOs are quick and easy to put together. SOHO comes in varieties of stylish shapes and sizes to suit your individual needs and preferences. SOHO can be combined with podiums, stand off packages and accessories to create a complete look.
